## *Rehabilitation Aspects of Nursing*

---

May 9 to June 3, 1966

## Programme

Graduate nurses interested in rehabilitation nursing are invited to submit application to a four week course in Rehabilitation Aspects of Nursing. Registration will be limited to 25 nurses who are prepared to give leadership in this field. The course is designed for nurses responsible for direct patient care, for teachers in schools of nursing, and supervisors of nursing service.

## Plan of Course

*(full time, 5 days a week)*

- |              |   |
|--------------|---|
| 1st week     | Lectures, demonstration, practice and discussion periods will be held in The School of Nursing, University of Toronto.  |
| 2nd-4th week | Experience, observation and clinical teaching will be provided by the agencies participating in the programme. These agencies are:<br><br>Lyndhurst Lodge<br>(paraplegic)<br><br>Toronto Western Hospital<br>(rehabilitation dept.)<br><br>Hillcrest Convalescent Hospital<br>(rehabilitation)<br><br>Queen Elizabeth Hospital<br>(chronically ill)<br><br>The Victorian Order of Nurses<br>(home care) |

Visits will be made to Rehabilitation Centres such as: The Toronto Rehabilitation Centre, Crippled Children's Centre.

## Content of Course

Aspects of Rehabilitation included in the course are:

Physical and emotional factors in disabling and chronic illness.

Prevention and management of deformities, decubitus ulcers.
